

AIR CARE

DRY DEODORIZERS - METERED

Metered Air Care - NEW LOOK!!!

Utilizes the same basic high performance chemistry of our dry deodorizers. These special aerosols are designed to work in the Pace Metered Air Care Dispenser and other metered dispensers.

The metered valve delivers precise spray volumes in an ultra fine mist to effectively freshen rooms up to 6,000 cubic feet and is versatile enough to use virtually everywhere.

Featuring a universal, non-proprietary actuator, these aerosols are for use in most time dispense machines available in the market today.

FRESH LINEN
#05034

LAVENDER MIST
#05032

WHITE TEA
#05033

ODOR NEUTRALIZER #05269

An effective odor neutralizer without a prominent fragrance.

- Metered aerosol dispenser refill
- Ultra-dry formula for extended suspension time
- Light Vanilla fragrance
- Universal "tip" actuator
- Low VOC content - 50 state compliant

CLEANAIR METERED AIR SANITIZER & DEODORIZER #05015

Effectively eliminates odors by killing odor causing bacteria from the air when used as directed.

- Metered dispenser refill for automatic air sanitizing
- Don't just deodorize, sanitize - remove bacteria from the air
- Chemically bonds to malodor molecule to kill odor source
- EPA Registered
- Nonflammable, ultra-dry, hydro-alcoholic formula
- Low VOC content with less than 30% by weight
- Contains no petroleum distillates or hydrocarbon propellants
- Universal actuator fits most dispensers

BABY POWDER #05259
BAYBERRY #05260
CINNA-MIST #05261
MANGO #05204
MOUNTAIN FRESH #05268
PLEASCENT SCENT #05278
SUNSHINE AIR #05267

Pace Metered Air Care Dispenser #05307

An attractive and practical multifunctional dispenser that is simple to program. State-of-the-art chip technology allows complete programming with only three slide switches. Sensor stops normal spray operation when door is open, preventing unintentional discharges into eyes or face. Flashing green light indicates dispenser is fully functioning. Change battery and can warning lights flash to notify operator unit needs service. Unit will dispense 3,000 and/or 9,000 spray cans. 5 year warranty. Color: Neutral

DRY DEODORIZERS - HAND-HELD

Dry Deodorizers - Hand-held

Dry represents yet another evolution in room deodorizers. This breakthrough formulation contains all of the performance one might expect from a dry-type freshener.

Excellent bloom and suspension time, ultra-fine particles, no fall out or residue are just some of the product attributes that differentiate these products from standard deodorizers. What is truly remarkable about these products is the incredibly dry spray provided without the use of ozone depleters. In fact, these products contain less than 30% total VOC content.

Also in the formulation is not one, but two odor counteractants. Each is specifically formulated to alter malodor molecules to destroy odor at the source. The combination of the dual system with advanced fragrances provides so much more than just an air freshener. Dry deodorizer technology is *true* odor control.

ODOR NEUTRALIZER #05233

An effective odor neutralizer without a prominent fragrance.

- Hand-held room deodorizer
- Ultra-dry formula for extended suspension time
- Light Vanilla fragrance
- Low VOC content - 50 state compliant

BABY POWDER #05030

BAYBERRY #05024

CINNA-MIST #05177

MOUNTAIN FRESH #05225
